July 2013 Edition

## General Manager Greeting

Wow, it's hard to believe that half of 2013 has already flown by. As we look ahead at upcoming events, I can't help but reflect on the many that have already taken place this year. We are fortunate to have been the host location for a tremendous variety of events. The community has allowed us to be a part of their graduations, Mardi Gras balls, dance recitals, fundraisers, and so much more. On the business front and contributing to the area's economy, we have hosted business meetings, continuing education classes, several consumer shows and sporting events. The second half of 2013 promises to bring events that are equally as exciting to the Harbor Center, including a wide variety of old favorites, as well as some new surprises that you won't want to miss. Be sure to check our website, like us on Facebook, and follow us on Twitter for the most up-to-date information about upcoming events. Hope to see you soon!

## Duhon Foundation Banquet Returns to the Harbor Center

The Harbor Center is happy to welcome back the Chris Duhon Stand Tall Foundation on Friday July 26th as they host their annual Stand Tall Scholarship Dinner Ceremony. This banquet is held to honor and present awards to the 2013 recipients of the Chris Duhon Stand Tall Scholarships. Requirements for scholarship recipients are students enrolled in a St. Tammany Parish school with the intent to enroll in a 4 year college or university, maintain a GPA of at least a 3.0 and have an outstanding commitment to community service.

The ceremony starts at 7p.m. and will feature a mouthwatering buffet prepared by Patton's Catering, a cash bar, and a silent auction. This event is open to public. Tickets are \$30 and can be purchased in advanced by visiting [www.chrisduhonstandtall.org](http://www.chrisduhonstandtall.org) or by calling (985) 774-7449.

Chris Duhon is a graduate of Salmen High School, and went on to play for the Chicago Bulls, New York Knicks, Orlando Magic and now plays for the Los Angeles Lakers. The scholarship program joins other projects Duhon has initiated in the Slidell area including a basketball camp, Feed the Children program, and a fund-raiser golf tournament.

## LSU Offers Continuing Education Classes At NHC

We are excited that LSU's continuing education program has chosen the Northshore Harbor Center to host a series of extended campus courses. The continuing education program offered through LSU will offer both credit and non-credit courses, which will give members of the St. Tammany area an opportunity to get a quality education without the commute.

Upcoming courses scheduled in the Fall of 2013 at The Northshore Harbor Center include: Certified Occupational Safety Specialist, Public Speaking, Essentials of Project Management, Fundamentals of Supervision, and Grant Writing. Whether participants wish to improve professional skills, get the edge on career advancement, or earn college credit, the goal of the continuing education program is to provide a quality learning experience for all who attend. Course attendees do not have to be enrolled in LSU in order to take part in any of these upcoming sessions.

To register for any of the above classes or for more information visit the LSU continuing education website at: <http://cms.outreach.lsu.edu>.

The Northshore Harbor Center is excited to welcome the two newest members of our family.

Adam Sambola's "RedBean's Piano" pelican is currently on display at the Northshore Harbor Center, and Cindy Strecker's "Treasures of the Gulf" pelican is on display by the flags near the Slidell train station until mid-August, when he will fly home to the Harbor Center.

"Pelicans on Parade" is a community support project by Leadership Northshore.
