August 2013 Edition

## General Manager Greeting

It's hard to believe that summer is already over and school is about to start. I hope that everyone has had a wonderful and relaxing break. Speaking of school, we are honored that our community allows us to be a part of so many important moments in students' lives. For several years, the Northshore Harbor Center has hosted school dances, senior picnics, graduations and scholarship banquets. In 2013, we are thrilled to also be the regional location for several LSU Continuing Education Courses. At the Northshore Harbor Center, we understand the importance of education, and we look forward to being a part of your upcoming school year.

## Another Successful Slidell Gun & Knife Show

The Slidell Gun & Knife show continues to be one of the Northshore Harbor Center's most attended events. In July, thousands of people packed the Harbor Center over the course of the two day show.

Rumor has it that vendors and dealers consider this the premiere show for the region. We at the NHC would like to give a big *Thank You* to everyone who supports Slidell Gun & Knife—and all of our trade shows and ticketed events. It is because of your support that our events are successful and keep returning to our area.

If you missed this past Slidell Gun & Knife Show, don't worry, they will return to the Harbor Center in November.

## Through the Looking Glass

The Northshore Harbor Center is delighted to welcome the return of Looking Glass Productions' annual glass show and sale. Vendors from across the country display and sell a variety of quality glass including antique and collectible glassware, depression glass, pottery, china and so much more.

This event will also feature door prizes, guest authors, and some impressive display pieces from private collections. If you are new to collecting glass or want to get started, then these nationally known, quality dealers can teach you everything you need to know. This is a show you will not want to miss.

The Looking Glass Show will be featured at the Northshore Harbor Center on August 10th and 11th. Show times are Saturday 10 a.m.—5 p.m. and Sunday 11 a.m.—3 p.m., admission is \$5.00 for the whole weekend.

For more information contact Fred or Pam Meyer at (972) 672—6313 or visit [www.meyershows.com](http://www.meyershows.com).
