September 2013 Edition

General Manager Greeting

It's the South's favorite season. It's not Spring, Summer, Winter or Fall – it's FOOTBALL! Admit it, we all look forward to the hype, the Who Dat, the craziness that is part of football season. Whether it is serving the same food, wearing the same jersey or sitting in the same seat; we all have our own rituals to help ensure our team's success. Speaking of rituals, I'd like to invite you to post your favorite winning ritual on our Facebook page for a chance to win a fun Harbor Center prize package. We will select one lucky winner on September 8th, the day of the Saint's first regular season game. Here's hoping for another winning season and trip to the Superbowl!

Football Camp for Her Expo

Grab your girlfriends and be sure not to miss the “Let's Get Physical Tour 2013” on Tuesday September 24th at the Northshore Harbor Center. Impress all the guys with your football knowledge by learning a lesson from the pros. Saints players Lance Moore, Pierre Thomas, and Cameron Jordan will teach participants everything they need to know about football. This fun, interactive, and educational session will guide ladies through offensive and defensive strategies, position by position explanations, rules of the game, and use of equipment.

This sure-to-entertain event, kicks off with a vendor-autograph session and “get crunked” cocktail hour from 5 p.m.—7p.m. The main event will begin shortly thereafter, and will include a half-time fashion show featuring breast cancer survivors.

In addition to all the football action, participants receive an official playbook, football camp for women t-shirt, free appetizers, information about breast cancer, autographed course completion certificate, a chance to win door prizes, and a chance to bid on live and silent auction items.

Benefits for this fundraiser go to support Breast Cancer research and awareness. For more information or to purchase tickets to this exciting upcoming event call (504) 305—7563 or visit www.footballcampforher.com
